IAEA to meet on Iran, North Korea

Khaleej Times

(AFP) | 4 March 2007 | VIENNA - The watchdog UN atomic agency meets this week in Vienna amidst some of the most intense diplomatic manoeuvring in years over the Iranian and North Korean nuclear crises. | Western states are gearing up for a crackdown on Iran at the UN Security Council over its refusa...

Carbonado Mystery

Buffalo News

MIAMI - Professor Stephen **Haggerty** retrieves a 730-carat black diamond - the size of an apple - from his desk. It's nearly impossible to cut, potentially billions of years old and, he believes, a product of outer space. | **Haggerty**, 68, is a man drive...
